

# The Esker – January 2011 - In with the New!

## The First Word

So where are you running in 2011? With 532 races in the Fell Runners Association calendar 2011, the BoFRA series, Long Distance Walking Association events, the expanded Hardmoors Series, the various ultra-marathons, trail races, multi-discipline adventure races and cross country events there are plenty of choices.

Membership of Esk Valley has really boomed in the second half of 2010 and with so much to run on offer, setting targets can be tricky. There is no better place to start than the **Club Championships 2011**. This year based on 6 best results from 14 event series format, the aims of the championship this season are to be more inclusive and to encourage running in new terrain.

Fell running isn't just about our winter and summer series events, if you love fell and hill running and haven't run in the Lakes, Dales and Pennines you are missing at real treat.

## Club Championships 2011

In this years club championship for those who struggle to race out of area (lifts are generally available to races further afield) there are 8 races from the winter and summer series, of varying difficulty, length and climb. We have also includes 6 races based in the Dales, Northern Pennines and the Lakes, 2 classic longs and 4 mediums each with a different flavour.

First up is **High Cup Nick**, only a short hop away on the A66, this runnable 9 mile medium race is based on the High Cup Gill and Nick, an early awayday to take advantage of your early New Year enthusiasm. Next up is **Coledale Horseshoe**, another medium 9 miles, double the climb of HCN and a testing Lakeland fell race that takes in Grisedale Tarn and Crag Hill, pre-enter to guarantee your place in the race. First of the two longs is next, the **Three Peaks**, a 23 mile dales race with climbs of Pen Y Gent, Inglebrough and Whernside, guaranteed entries are now closed, but you can put your name down on the wait list and substitutions are available. 8 Eskers are on the start list so far; Mark Brown, Phil Conner, Dave Dedman, David Gibson, Christopher Green, Kevin Holmes, Mike McGough and Clive Thornton.

**Fairfield Horseshoe** is the fourth out of area race, another medium, its 10 miles really, one of the best races of the year, classic ridge run to Fairfield and back, taking in 8 Wainwrights on the way. Next is **Kentmere**, just shy of 12 miles this is just a medium, 'A' rated like Coledale and Fairfield, its just an enjoyable day out taking in High Street and Kentmere. Last of the club champs away days is **Borrowdale**, mile for mile one of the toughest, with a rough that includes the summits of; Bessy Boot, Scafell Pike, Great Gable and Dalehead. Fell racing experience is needed for this event, but a true classic.

## Club Championships 2010 – The results

The postponement of Eskdale Eureka and substitution of Guisborough Woods or Captain Cooks, meant a delay in the tallying of the final points in the 2010 championship, so the results are:

<u>Overall Club Champion</u>	<b>Dave Collett</b>	2 <sup>nd</sup> = Dave Dedman and Clive Thornton	
Junior Club Champion	<b>Cameron Taylor</b>	2 <sup>nd</sup> Thomas Hodgson	3 <sup>rd</sup> Jake Harrison
M40 Club Champion	<b>Phil Conner</b>	2 <sup>nd</sup> Dave Dedman	3 <sup>rd</sup> Clive Thornton
M50 Club Champion	<b>Dave Collett</b>	2 <sup>nd</sup> Andrew Johnson	3 <sup>rd</sup> Bob Lillie

Well done to the Champions, podium finishers and all who competed, prize and social night to be arranged soon and here's to the 2011 championship.

Set-off time is 7pm, for a 7-9mile group run.
