

Information for Three Tops Race 6/9/15. - English Championship Race.

Entries:-

These can be made on any universal form such as the one available of the FRA. web site

The cost is £7 and cheques should be payable to D.Parry. Address:- 54A Saxonfield, Coulby Newham, Middlesbrough. TS80SN.

The entry will be posted on:- 'www.eskvalleyfellclub.org' on 1.5.15 and then updated about once every two weeks until the entry list is full. A map of the route is available for download on this site.

Travelling:-

I won't insult you by giving directions to Guisborough. As you approach the Town The Town Council will have erected event signage for parking areas. There will be no signage from The Whitby Road end. Fundamentally there are two large parking areas which may well be free. The main High Street is called Westgate. Proceed to the end of Westgate. Turn left at the lights (not pedestrian crossing lights,) where you will immediately encounter The Parish Church. Swing left with the road. After 200 metres from the church turn left, there is a large Car Park immediately and a further car park just 100 metres towards West gate which also has toilets. It is 500 metres walk to registration. Another option which is just 400 metres below The Rugby Club for registration is described below.

Parking:-

There will be no parking for competitors at The Guisborough Rugby Club. It is however just a short walk from the main town parking. Please do not park in a supermarket car park as after two hours you are likely to be clamped. (A competitor learned the hard way about that.) There is some parking just below the cricket club/squash club which has toilets.

Registration:- Walk up the side of The Cricket club. This will open at 8.30 am. and close at 10.10am promptly. It is one mile to the start! I am anticipating this will be simply to issue numbers as I am expecting the 350 senior entries to be FULL before this date. There are 20 numbers reserved for the Under 20 championship Race. If these are not taken by 10.00 then there may be just a few entries on the day.

Best Wishes - Dave Parry R.O.
