

Inclined to Madness (2014) – Change of route for 2014, start as last year on forest trail just beyond the gate, follow to forest road to bottom of the incline CP1, ascend the whole incline following track to path junction CP2. Then to CP3 at Round Hill trig point (high point of the North York Moors), continue on Cleveland Way to Carr Ridge and head due north, follow trod/path through hole in wall, to stile at forest edge and descend through forest to track junction CP4. Head due east on track to bottom of hill to finish at roadside.
