Comments:

It was another fantastic day with a record entry, the warmest weather ever and possibly the wettest due to the heavy rain in the first half of the race. Going therefore was muddy or is it 'cacky!' It was a huge surge at the start with runners filling the narrow 'C' road right up to the farm where a change in footing squeezed the line. At the junction it was still anybody's race with a good group at the front. The climb up to Captain Cook's Monument thinned them out. Jim Bulman had grabbed the lead at The Farm and Ian McGrath, James Dunne and Mark Bryant were giving chase with the two junior men, Cameron Taylor and Jonathan Baines just behind them. The climb changed things dramatically and as they descended off Cook's The two juniors had closed up on Jim. As they descended Cameron took an unexpected line and passed Jim with Jonathan keeping close order. Jim had to dig in now as he did not want to be behind in the narrow confines of the last mile. He passed Cameron once again who hung on like a tiger with it's prey.

Jim managed to stay clear to the finish Cameron second and Jonathan third. In the women's event Cath Williamson continued her good form of the holiday season and soon had a lead over Morag Stead who held good form despite her limited fitness. Cath once in the lead continued in the same vein through to the finish with Morag second. In the teams it was an Esk Valley triumph in the men's whilst North York Moors showed good strength to win the women's event. We raised over £2000 for our charity causes and cheques or 'donations on line' will follow in the next week.

See you at Clay Bank Best wishes... Dave
