**Comments:**

Well done to all the runners. The biggest entry for this race with 74 finishers ( 20 not included in the abridged version - for Summer Series runners only) The junior races were equally popular with a large field! In the men's race it was Jim Bulman who was soon away on his own at the front chased by Ian McGrath & Jason Cavill. Jim won comfortably by over two minutes. In the women's event it was Jim's club colleague Kay Neesam who gave a similar performance for a comfortable win in the women's event. Women's team also went to New Marske with North York Moors led by Paul McGough, squeezing out Esk Valley in the men's. Well done to Esk Valley for competing with two teams in each section. The overall Summer Positions will be decided at the Roseberry Topping and presentation will be at The Guisborough Three Tops in October. Don't forget The Winter Sereis starts with The Viking Chase on Sunday 23rd September. All funds in aid of Cleveland Search & Rescue. .... Best wishes ... Dave
