**Comments:**

Another brilliant day's racing with almost balmy weather for February and a good field. At the front of the field Phil Sanderson and Paul Bulmer were head to head at the Castleton Road (CP2) followed closely by Cameron Taylor, Gary Jones and Charlie Stead. as they headed towards 'The Clart' and The Rabbit Hills the heavier going was sapping a bit of strength and Cameron was now up at the front with Paul and Phil. As they climbed up from CP4. Cameron was now getting away at the front. At the finish Cameron broke the old record by 1.35' a brilliant time and to be fair Phil, Paul, Charlie and Gary were all inside the old record. Phil had the consolation of leading Northumberland FR to a team victory over Esk Valley avoiding the tie at the Beacon.

In the women's event there was a good tussle between Nicola Kent and Kay Neesam who in the early stages of the event were difficult to separate. As they crossed 'The Clart' Nicola had managed a short lead to The Old Parish boundary stone at CP4. In the last section Nicola managed to gradually move ahead to win by about 30 secs.

The good packing of Loftus and Whitby led by Nicola gave them a win in the team from Pickering and Thirsk & Sowerby. Sue Haslam turned in another excellent performance to finish sixth and win the FV Cat 4. Thirsk & Sowerby had a good day in one of their club championship races fielding almost 20 athletes. In the Junior women there was a noticeably good performance from Charlotte Edge who finished third overall.
