Comments:

What a night it was wet and a little windy and as the race progressed it got wetter. Nevertheless it was warm and not exactly unpleasant for running. In the men's race Paul Butler made his usual start pulling away with Jim Bulman and Paul Lowe just behind then a group led by Dan Middlemas and Chris Edis, as they departed from Captain Cook's. Once they reached Percy Rigg this had settled out to a leading group with Jim just edging away then the two Paul's. In the women's event the front five were not separated by much with Kay Neesam, Angharad Owen and Shelli Gordon out front with Nicola Kent and Rhona Haslem not far away. At Roseberry Jim had extended his lead to two and a half minutes with the two Paul's still quite close. The women's race however stayed very tight where Kay had half a minute's lead over Angharad who was just ahead of Shelli. On the charge in from Little Roseberry Jim pulled further ahead as he was not far off his own record, considering the conditions, to win by a clear margin. Kay pressed on to win by just a minute from Angharad and Shelli. In the men's team race North York Moors were comfortable winners ahead of Loftus & Whitby and Esk Valley. For the women Loftus and Whitby won just ahead of New Marske with NYM third. Hope to see you at Blakey on Sunday in that rearranged fixture. Any volunteers to mark out Guisborough Grunt? or Inclined to Madness! Best wishes Dave ... 01642591455.
