Comments:

An excellent night for running and a record breaking one at that. Paul Butler smashed his own record by over two minutes and Louise Brown making her first appearance demolished the women's record by 4 minutes 35 seconds. In the chasing group behind Paul, Roger Tomlin, Chris Jeffries and Cameron Taylor all broke the old record time. In the women's event Kay Neesam. Katie Rawnsley and Nicola Kent had their own battle influenced by route choice they changed positions a few times during the race. This is one of those events where the tracks on the ground due to useage are various and interchanging.

In the team event Scarborough led by the emerging James Kraft edged out Loftus and Whitby with York Acorn and Esk Valley just behind. In the women's team Scarborough continued their dominance of the Summer Series.

Coming soon I will issue a table of team results and their relative positions so far. Many thanks to the 5 sweepers who cleared the course on the night and ensured the safety of runners and to Scarborough and Dan Middlemas for marking. Anyone who would like to mark courses, clear the tape or marshall on the night please let me know on 01287 660309 or narrydavid5@gmail.com. Lam
