1	58	Oscar Anglim	CLOK	30.09	M14/1/50/98

Comments:

This was the first set of junior races at Pinchinthorpe so every category winner holds a record. It was also the first time we had registered in a railway carriage. The cafe was good at the end so facilities as a whole were a step up from Clay Bank! The M10's and the M&F 12's ran the same course up through the wood then left at the first dip then a return via the fitness area. The M&F 14's and 16's ran the same course which saw them set off with the seniors but return as soon as Roseberry was in site. As it was a wooded area I was concerned not to lose anyone and due credit to the young athletes they did really well. The results show eleven athletes completed with no DNF's.

Well done see you at Gisborough Moors when presentations for 2012 Junior Champs will be presented. ... Best wishes Dave
