	6 Quakers AC 'A'	54	17,18,19	10/21

**Comments:**

What a fabulous night! The sun we had ordered was shining making it the hottest day of the year and the pub said the beer sales were excellent! We raised £120.00 towards the playing field fund and new equipment is due to be fitted next week in the children's play area.

Back to the races - In the senior men it was evident after the first mile that there were only two contenders to win which were James Bulman and Lewis Rodgers. They managed to beat the logging vehicle as they ran the parallel path up to the first check. The ground was very bumpy once they were past check three and due to the logging you had to be careful over some of the caterpillar tracks. As they descended they were still neck and neck past the sunken pit and the farm. Into the last mile Lewis surged away and as James stated it was the younger legs that prevailed in the finish section.

In the women's event it was Kay Neesam who soon established a short lead ahead of Nicola Kent with Anwen Darlington and Kirsty Vogan not far away. As they progressed positions did not alter very much until the last long descent when the marshal at Heathwaite said Kay was leading but Nicola looked very determined just behind. It was a thrilling last sprint up to the finish that saw Nicola just squeezed ahead to win. In the men's team events Knvavesmire were clear winners ahead of their near neighbours 'Acorn.' In the women's event there was a very close finish with Knavesmire women just holding off New Marske by one point. Anyone who is willing to host an event next year should contact me in the next month. ....  
Dave
