Comments:

It was a fabulous night for running if not a little too hot. It was ideal for Mike Jeffries in the men's section who after a mixed start and a little back and forth with the others in the leading group came into his own in the last half of the race with a clear gap over Paul Lowe and Paul Butler who were his main challengers.

In the women's race there was another three way contest with Nicola Kent, Jacqueline Keavney and Shelli Gordon. Once through the woods Jacqueline managed to establish a lead and went on to win.

In the men's team it was an excellent contest with Loftus & Whitby looking likely winners early on but North York Moors with good packing snatched it from them with York Acorn and Esk Valley chasing. In the women's team it was another tight affair with Thirsk & Sowerby led by Lorraine Hiles winning by just two points from North York Moors.

In the Summer Overall Team Competitions Esk Valley lead the men's with North York Moors and Loftus & Whitby just behind. In the women's overall competition Thirsk & Sowerby lead with Esk Valley and Pickering chasing. Best wishes Dave
